To Whom It May Concern:

I write to endorse the election of

CLARA BARTON

to the Hall of Fame for Great Americans.

It is unnecessary to list her achievements, for she is well-known by the public. It is indeed possible that most American lives have been touched by the legacy of her activities.

It seems especially appropriate in a Bicentennial Year, to honor a Foremother, in the midst of all the familiar talk about the Forefathers. Both men and women created this land, and both men and women should be honored for their creation.
